

## **North Carolina Survey Results**

Q1	In North Carolina, more than 350,000 adults, most of them working, cannot afford health insurance on the wages they are paid in industries like retail, construction, and food service. Their incomes are too low to qualify	Q5	If you are Hispanic, press 1. If white, press African-American, press 3. If other, press 4  Hispanic	4. 6%	
	for the tax credits available through the				
	Affordable Care Act and too high to qualify for		African-American		
	Medicaid. They are stuck in the 'insurance		Other		
	coverage gap.' The Legislature and Governor McCrory could fix the coverage gap by creating a special North Carolina plan in partnership with the Federal government. Do	Q6	If you are 18-29 years old, press 1. If 30-49 press 2. If 46-65, press 3. If older than 65, press 4.	5,
