

# HEALTHY *and* READY *for* SUCCESS

Children who:

*Are Born Healthy*

*Are Insured*

*Receive Preventative Care*

▶ have the best chance to achieve their best health and thrive.

Unfortunately, not all children have the same chance to be healthy.

Rural

Low-Income

Children of Color

are more likely to encounter preventable barriers to good health.

In Sampson County

**7.3%**  
of children  
are uninsured

**66.8%**  
are poor or  
low-income

African American  
babies are  
**1.2X**  
more likely to be  
born premature.

If left unaddressed these preventable barriers  
can become permanent roadblocks:

Educational  
Challenges

Delayed  
Development

Social & Emotional  
Challenges

Let's ensure that more  
Sampson children  
are **HEALTHY** *and*  
**READY** *for* **SUCCESS!**

- ✓ Increase health insurance access for low-income adults of reproductive age.
- ✓ Ensure children's access to health insurance.
- ✓ Strengthen public policies to promote health equity.
