

HEALTHY *and* READY *for* SUCCESS

Children who:

Are Born Healthy

Are Insured

Receive Preventative Care

▶ have the best chance to achieve their best health and thrive.

Unfortunately, not all children have the same chance to be healthy.

Rural

Low-Income

Children of Color

are more likely to encounter preventable barriers to good health.

In Anson County

4.5%

of children
are uninsured

65.2%

are poor or
low-income

African American
babies are

2.4X

more likely to be
born premature.

If left unaddressed these preventable barriers
can become permanent roadblocks:

Educational
Challenges

Delayed
Development

Social & Emotional
Challenges

Let's ensure that more
Anson children
are **HEALTHY** *and*
READY *for* **SUCCESS!**

- ✓ Increase health insurance access for low-income adults of reproductive age.
- ✓ Ensure children's access to health insurance.
- ✓ Strengthen public policies to promote health equity.
